

# ALENA KARAVAYA

## FRONT-END DEVELOPER

### Summary

As an enthusiastic and motivated JavaScript Intern, I am eager to contribute to your team's success by leveraging my strong foundation in web development principles, along with a keen interest in exploring the latest front-end technologies. My recent completion of a comprehensive programming bootcamp, coupled with hands-on experience in designing and implementing user-centric web applications, has equipped me with the essential skills to thrive in a fast-paced development environment. I am excited to apply my problem-solving abilities and passion for coding to create innovative solutions that enhance user experiences and drive organizational growth.
